

Dear Sir/Madam

Your contact details were passed from Dorset Council to Wool Parish Neighbourhood Plan Steering Group to assist consultation in respect of the Neighbourhood Plan.

We have consulted local people via drop-in sessions, social media and leaflets to all premises in the parish and have received over 200 responses which are now published on our website: <https://www.woolparishnp.com>

These responses will help us to develop our vision, aims, objectives and evidence-based planning policies.

We would invite you to consider the questions we posed and the responses received and to submit to us any observations you may have at this stage.

We appreciate that once specific draft policies start to emerge you may have more specific comments to make but we wanted to offer you an early opportunity for your input.

Please feel free to contact us at contact@woolparishnp.com

Yours sincerely

Martin Hiles (Chair of Wool Parish Neighbourhood Plan) on behalf of the Steering Group
