

This is your chance to contribute to how Wool, Bovington and East Burton will look over the next 25 years

The Parish Council has decided to create a Neighbourhood Plan to:

- Develop a shared vision for Wool, Bovington and East Burton which is led by local people
- Influence where new homes, shops, offices and other development should be built
- Identify and protect important local green spaces
- Influence what new buildings should look like

The Neighbourhood Plan is not a way to stop development but can hopefully shape it.

This questionnaire is the first stage in developing The Neighbourhood Plan. A copy has been sent to every household in the Parish – to request more copies please email contact@woolparishnp.com. Alternatively you can submit the questionnaire online at www.woolparishnp.com.

Overleaf are 4 simple questions. When you answer them please:

- think specifically about the proposed developments
- consider the longer term and what you would like your neighbourhood to look like for your children and grandchildren.

Over the next 6 weeks we will be organising drop in sessions to answer any questions you may have. Look for details of these sessions on posters, Wool Dates Newsletter, Parish Council Newsletter, www.woolparishnp.com, www.woolparishcouncil.com and Wool Community on Facebook or email contact@woolparishnp.com for further details.

Once we have analysed your responses, we will be able to identify what the Neighbourhood Plan should focus on. We will then start working on the plan, communicating and seeking further opinion as we progress. At the end of the process, which may take a few years, you will have the opportunity to vote on whether the plan should be accepted.

Please return this form to the Wool Parish Council office on Colliers Lane, Wool, to Cologne Road Community Centre, Bovington or East Burton Village Hall **BY xxx JUNE**.

This survey is also available for completion on www.woolparishnp.com.

If you have any questions or would like to be involved, please email contact@woolparishnp.com

Remember, this is your chance to contribute to how Wool, Bovington and East Burton will look over the next 25 years, please get involved and have your say
