

Declaration of interests – Chris Yarnold

I was born and bred in Wool and am lucky enough to own and live in our own home here in the village

I attended East Burton Primary and Bovington Secondary Modern School

I was on the Kids of Wool fund raising committee

I worked at Bovington Middle School, where I was also a Governor before moving on to St Mary and St Joseph's Primary (formally St Mary's First) as Business & Senior Finance Manager and Governor

I am now retired

I am a member of the National Trust

I have attended all public WoolRath meetings and WoolRath only meetings. I have also helped with the distribution of WoolRath flyers in 2017 and 2018

For the duration of the Neighbourhood Plan I will attend WoolRath meetings in my capacity as Neighbourhood Plan steering group member and will cease distribution of flyers
