Examination Ref:01/AM/WNP

28 October 2024

Dear Mr Smith and Mr Reese

Following the submission of the Wool Neighbourhood Plan (the Plan/WNP) for examination, I would like to clarify some initial procedural matters.

1. Examination Documentation

I can confirm that I am satisfied that I have received a complete submission of the Plan, including the Consultation Statement, the Basic Conditions Report which includes the Strategic Environmental Assessments (SEA) Screening Report and the Regulation 16 representations, to enable me to undertake the examination.

Subject to my detailed assessment of the Plan, I have not at this initial stage identified any very significant and obvious flaws in it that might lead me to advise that the examination should not proceed.

2. Site Visit

I intend to carry out my site visit week commencing 28 October 2024. The site visit will assist in my assessment of the Plan, including the issues identified in the representations.

The visit will be undertaken unaccompanied. It is very important that I am not approached to discuss any aspects of the Plan or the neighbourhood area, as this may be perceived to prejudice my independence and risk compromising the fairness of the examination process.

3. Written Representations

At this stage, I consider the examination can be conducted solely by the written representations procedure, without the need for a hearing. However, I will reserve the option to convene a hearing should a matter(s) come to light where I consider that a hearing is necessary to ensure the adequate examination of an issue, or to ensure that a person has a fair chance to put a case.

4. Further Clarification

Following my site visit, I am likely to have a number of questions which seek clarification on matters within the WNP and which I will wish to put to Wool Parish Council and/or Dorset Council. Assuming this will be necessary, the questions will be set out in a further letter.

5. Examination Timetable

As you will be aware, the intention is normally to conduct the examination (including the site visit) with a view to providing a draft report (for 'fact checking') within around 6-8 weeks of submission of the Plan. However, in the likely event that I have some questions seeking clarification as a result of my site visit, I must provide the opportunity for you to reply. Dependent on the nature of my questions, this may mean that the examination timetable could potentially be extended. In such circumstances, please be assured that I would seek to mitigate any delay as far as is practicable. The IPE office team will seek to keep you updated on the anticipated delivery date of the draft report.

If you have any process questions related to the conduct of the examination which you would like me to address, please do not hesitate to contact the office team in the first instance.

In the interests of transparency, may I prevail upon you to ensure that a copy of this letter is placed on both the Parish Council and Dorset Council websites.

Thank you in advance for your assistance.

Yours sincerely

Andy Mead
